WELCOME BACK TO SCHOOL!

Whether you are choosing In-Person Learning or Distance Learning, as the new principal, let me be the first to share how excited we are to begin this Fall. Barack Obama Leadership Academy has an aligned curriculum, The Leader in Me program, African-Centered Education, Social Emotional Learning program, a highly qualified staff and a robust intervention program that's designed to meet the needs of every child due to the COVID-19 pandemic and summer slide.

I know first-hand that the developmental needs of our students are different and Barack Obama Leadership Academy's instructional team has worked diligently over the summer attending professional development training to address those needs.

We encourage you to schedule a tour and check out our newly designed classrooms. All CDC guidelines will be implemented for the safety of our future leaders, families and staff.

ENROLL A RELATIVE OR FRIEND DURING OPEN HOUSE

Bring a K-5 friend or relative that's not a current student to enroll at Barack Obama Leadership Academy during Open House. We will give away \$25.00 gift cards for every student who enrolls for the Fall 2020-21 school year!

All of our future leaders will receive a backpack and school supplies during Open House on August 29th.
