November 24, 2020

Dear BOLA Family:

As we continue to adjust to accommodate the ever-changing climate resulting from COVID and the subsequent mandates, please be advised that we are moving to all-virtual learning platform beginning Monday, November 30 through January 11, 2021.

However, we realize the implications this could have on our families and are pleased to offer the BOLA Learning Center where the school will be open to students Monday-Friday from 8 AM-3:35 PM for those whose parents are working during this time.

Capacity is limited to the first 35 students who are registered by their parents by calling the school office at (313) 823-6000. Proof of employment as an Essential Worker and work hours must be provided. Students will be monitored by our para-professionals and receive meals, as usual.

If your student has not received a Chromebook, please let us know ASAP and we will have one delivered to the home.

Thank you for working with us during these unprecedented times. As always, please call if you have any questions or concerns.

Warmest regards,

*Mama Kim Pritchett
