WELCOME BACK TO SCHOOL! We are so excited to begin the 2021/2022 school year for our Great Future Leaders. Barack Obama Leadership Academy has an aligned curriculum that is designed to provide all students with grade level experiences and beyond. This year BOLA will continue to offer the Leader in Me program, African-Centered Education and Social Emotional Learning programs implemented by highly qualified staff. BOLA will also offer our scholars the opportunity to participate in the DACEP, Food Warriors (Garden) and robust intervention programs. Additionally, stop by the front office and pick up a 2021/2022 school year calendar, lunch menu and fill out a Parents Are Teachers Too (Parent Group) Survey and leave it with Mama Ida in the front office.

Further, I know first-hand that the developmental needs of our students are different and Barack Obama Leadership Academy's instructional team has worked diligently over the summer attending professional development training to address those needs.

Finally, we encourage you to schedule a tour and check out our newly designed classrooms. All CDC guidelines will be implemented for the safety of our future leaders, families and staff.

- “Keep exploring, keep dreaming. Keep asking why. Don't settle for what you already know. Never stop believing in the power of your ideas, your imagination, and your hard work to change the world.” – Barack Obama
