HISTORY OF NATIONAL READ ACROSS AMERICA DAY *“The more that you read, the more things you will know. The more that you learn, the more places you’ll go.”- Dr. Seuss*

Every year, the month of March is National Reading Month. The start of this is initiated with ‘Read Across America Day’ on March 2, which is also the birthday of one of the most beloved children’s book authors of all time — Dr. Seuss. Reading stories and antics about his wonderful characters is a rite of passage, and the perfect way to get children interested in reading books.
