Bring your Kindergartener to School Day

May 13, 2022
8am – 12pm

We are very excited about the 2022 – 2023 school year, and have many fun things planned. In preparation for the upcoming school year we would like to meet you and your child for a ½ day, to introduce the student to their new school and to demonstrate what to expect during a day of kindergarten.

“Great Futures Begin Here”
